TOWN WARRANT

State of New Hampshire

To the Inhabitants of the Town of Bath qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall on the second Tuesday of March next at ten o'clock in the forenoon, to act upon the following subjects:

Article 1 To choose a Town Clerk, one Selectman for three years, one Trustee of Trust Funds for three years, one Library Trustee for three years, a Town Treasurer, an Auditor, and one or more highway agents, and all other necessary town officers and agents for the ensuing year.

Article 2 To hear the reports of officers and agents heretofore chosen and pass any vote relating thereto.

Article 3 To see how much money the town will vote to raise and appropriate for the town officers' salaries and expenses, for repairs, maintenance and construction of highways and bridges, for the support of the Town Library, for the support of the town poor, for the observance of Memorial Day and Old Home Day, and for all necessary town charges and expenses for the ensuing year.

Article 4 To see what action the town will take in regard to securing State Aid for it's highways and to raise and appropriate such sums of money as may be necessary for that purpose.

Article 5 To see if the town will vote to raise and appropriate the sum of three hundred dollars for the control of White Pine Blister Rust.

Article 6 To see if the town will vote to dispense with the delivery of inventory blanks until April first.

Article 7 To see if the town will authorize the selectmen to administer or dispose of any real estate acquired through tax collector's deed.

Article 8 To see what action the town will take to authorize the selectmen to borrow money in anticipation of taxes.

Article 9 To see if the town will accept State Aid for construction of Class 2 road known as Monroe Road and raise and appropriate or set aside for said purposes the sum of \$1,381.50, or will accept State Aid for construction of Class 5 roads and raise and appropriate or set aside for said purpose the sum of \$615.67.

Article 10 To see what action the town will take with regard to having a town map made, and raise and appropriate such sum of money as may be necessary for that purpose.

Article 11 To see what action the town will take with regard to oiling the main street in Bath Village, and raise and appropriate such sums of money as may be necessary for that purpose.

Article 12 To vote upon the following question: "Is it expedient to revise the constitution?"

Article 13 To transact any other business that may legally come before this meeting.

Given under our hands and seals this 20th day of February, A. D. 1937.

A. W. BAILEY,
JAMES N. SOUTHARD,
GEORGE C. MINOT

All funds are invested in the Lisbon Savings Bank, except Hutchins fund, in Pittston, Pa., school bonds, at 4½% interest; Sawyer fund, \$2000 Brown Co., 1st Mortgage 5½%, due 1950. C. 95 \$1900, Numbers CM3759, CM3760, \$2000 Virginia Pub. Ser., 1st & Ref., 5½%, due 1946, C 98½ \$1970, Numbers M1065, M1066, \$1000 Missouri Pub. Ser., 1st Mortgage, 5%, due 1947, C 93, \$930, Number M2361; the rest of the fund \$5200, is in Lisbon Bank; and Chamberlain, Morrison-Ricker, Prescottt, Poor, Nelson, Whitcher, Aldrich, Snow, Simonds are in Woodsville Guaranty Savings Bank. The Missouri P. S. and Brown Co bonds defaulted in interest in the past year. The Lisbon Savings Bank & Trust Co. has re-funded 5% of the face amount of the reorganization certificates. The amounts under heading of Present Principal have been increased accordingly.

We hold in our custody as Trustees, one \$1000. Missouri Public Service Co. bond, two \$1000. Brown Co. bonds, and two \$1000. Virginia Public Service Co. Bonds. These bonds are illegal investments for Town Trust Funds and for this reason we consider it necessary to take steps to dispose of them and reinvest the proceeds in accordance with the Laws of the State of New Hampshire.

Ernest O. Pederson, headmaster, high school

Ellen S. Chase, high school

Meredith Sisco, grammar grades

Nella A. Pederson, primary grades
Lottie M. B. Underhill, school nurse
Walter Chase, health and truant officer

The above statistics call for little comment. The percent of attendance for last year was just above the state average of 94.75, while the tardiness per pupil was higher than that of the state as a whole. In view of the constant watchfulness and cooperation needed in matters of health, I would like to call attention to the following extract from the Public Law: "The parent, guardian, or other person having the custody of a child who is infected with or who has been exposed to a communicable disease shall not permit him to attend either a public or private school.

"Any person who violates any provision of the two preceding sections shall be fined ten dollars."

While some repairs and improvements have been made in the building, there are still some things which ought to be done. The way water has leaked into every room points to the need of either a new roof or rather extensive repairs. After that is done, the interior of the building would be greatly improved by redecorating.

For sanitary reasons there is need for more water. A small inexpensive pressure tank would remedy this if there is nothing which can be done to the supply main.

The classroom work seems to be progressing well. Last spring when the standard achievement tests were given in all the elementary grades in this union, the highest score for the eighth grade was made by a pupil in the Bath school.

For a detailed account of the activities of the high school I call your attention to the headmaster's report.

Respectfully submitted,

EDWARD A. JANES

REPORT OF THE HEADMASTER

To Superintendent Edward A. Janes:

I herewith submit my sixth annual report as headmaster of the Bath High School.

School opened September 8 with an enrollment of 27 pupils, 15 girls and 12 boys. Two transfers, a boy and a girl, were admitted at a later date, but the boy member has dropped out. This makes a total enrollment of 28 pupils at the present time. The names of the present enrollment by classes is as follows: Seniors: Helen Chase, Phoebe Ricker, Roger Carr and Robert Estes; Juniors: Helen Austin, Verlin Chase, Pauline Paquette, Isabelle Young, Barbara Hunt, Wendell Arsenault, Hubert Chase, Howard Estes and Edward Gates; Sophomores: Bernice Estes, Irene Tewksbury, Ruth Wilson, Madeline Welch, Shirley McKean and Harold Nelson; Freshmen: Dorothy Mitchell, Isabelle Moulton, Marilyn Whitcomb, Julia Wilson, Leon Austin, Wendell Campbell, Foster Carr, Ernest Laundre and Lawrence Woods.

The total number of tuition pupils registered is 14, 11 from Swiftwater, 2 from Nutter district and 1 from West Bath. There is one less tuition pupil this year than there was last year.

School Program and Organization

The subject of Junior Business Training has been introduced into the school's program of studies as an elective study for freshmen and sophomores. This new subject to the school has replaced the subject of Bookkeeping which has been dropped out of the school's program. Other subjects being taught this year are as follows: Sociology, United States Constitutional History, History of Civilization, Algebra, Biology, French 1, Latin 2, and English 1, 2, 3, and 4

The organization of the school's program is as follows: Winter term: the hours are from 9:00 a. m. to 11:50 a. m. and from 12:50 p. m. to 3:30 p. m.; Fall and Spring terms: the hours are from 9:00 a. m. to 11:55 a. m. and from 12:50 p. m. to 3:35 p. m. The school has a 5-minute recess period during the winter term and a 10-minute recess period during the fall and spring terms. This accounts for the slight changes in dismissal times during these times of year.

The last period of the afternoon session is a 30-minute activities period which is used for remedial work, make-up work, and extra-curricula activities.

Management of Activities

Activities are managed under the same plan as used last year. The school's treasurer is Isabelle Young, and the secretary is Phoebe Ricker. These officers were appointed by the headmaster at the beginning of the school year.

The books were audited on December 12, 1936 by Hascall Stimson, the school's auditor.

Repairs and Improvements to School Plant and Grounds

A drinking fountain has been installed in the hall.

Liquid soap dispensers have been provided in the basements.

The stairs on the embankment fronting the school-house were repaired in the fall.

The boys receiving aid from the National Youth Administration have performed some worthwhile projects in connection with improvement to the school-house. The boys' basement has been renovated to provide a more sanitary place to wash. The space in the hall upstairs has been made into a study nook. The walls and ceilings of the boys' basement have been painted.

The floors were oiled for the opening of school.

The immediate attention to the ploughing of the roads after the heavier snowfalls has been appreciated. Similarly, the path and stairs have been attended to, which care is also appreciated.

Health and Recreation

Playground activities during the fall term consisted of outdoor basketball, volleyball, and tag-football.

The school's major sport continues to be basketball. This is the second season that the high school has been affiliated with the White Mountain League of which 12 north-country schools are members. Regardless of victory or defeat, both boys' and girls' teams have carried on in a manner which should make the Bath people proud of their representation in the League. Eleven games are on the schedule for this year

The school's minor sports are baseball and winter-sports.

Because of the unusual snow conditions this winter, very little attention has been given to our participation in other carnivals. Plans, however, are underway for the sixth annual Bath Winter Carnival, which will again be sponsored by the high school.

Social Functions

A play "Addie Sails Away," was presented at the town hall under the direction of Mrs. Chase.

The annual Junior Prom was held at the town hall with music by the "Blue Jackets."

A Hallowe'en Dance was held at the town hall last fall with music by the "Blue Jackets."

The Carnival Ball was sponsored by the high school.

A play will be presented as soon as possible after the close of the basketball season.

Assemblies

Student programs were given in observance of Memorial Day, Armistice Day, American Education Week, and Conservation Week.

Mr. Arthur Rudman, a lecturer representing Burdett College, gave a talk before the school on the subject of character.

The school has 5 minute assembly periods at the beginning of sessions. The morning assembly is devoted to singing and student reports on current events. Once a week some designated pupil gives a talk on the subject of character. This talk is prepared from material found in our Weekly News Review, a newspaper to which the school is a subscriber.

Comments

There have been many instances when cooperation and interest of parents and citizens of Bath have been shown. This is sincerely appreciated.

I express my thanks to all the people of Bath who so willingly played a part in making last year's carnival a great success.

There are four pupils of the school receiving aid under the program of the National Youth Administration in return for work assigned them.

The school has been supplied with a new unabridged dictionary.

The school needs a new set of encyclopedias. This deficiency was mentioned by the state agent in his report of last year.

Consideration should be given to the retinting of the school's walls and ceilings.

The floors of the school need more frequent applications of floor oil.

The writing surface of all desks in the building should be renovated.

The school should be equipped with a typewriter and a mimeograph machine.

The school is in need of a suitable piano. Interest in the organization of a small school orchestra could more easily be encouraged with a good piano.

The Bath Union Spirit, the school's yearbook, will be published in May.

The school is not properly protected by fire extinguishers. There are two liquid extinguishers in the building, but neither are in order for any fire emergency. I would suggest that consideration be given to supplying these containers with the proper liquid. One of the extinguishers will need some repairing.

The student body is continually showing a fine spirit of loyalty and cooperation. This greatly aids the general progress of the school.

I wish to take this opportunity to express my appreciation to the members of the school board, and to my superintendent, Mr. Janes, for their friendly interest and cordial support in all school matters.

Respectfully submitted,

ERNEST O. PEDERSON, Headmaster

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Bath Town School District:

I herewith present my seventh annual report as superintendent of schools.

1935-36

Total enrollment	57
Non-resident pupils	13
Percent of attendance	93.99
Cases of tardiness	120
Pupils attending school outside of district:	
Bath Elementary	1
Woodsville Elementary	4
Benton Elementary	3
Bath High School	15
Lisbon High School	7
Woodsville High School	6
School visits by board members	3
School visits by superintendent	8
School visits by citizens	95
Roll of honor for perfect attendance	2
Etta Hooker	Goldie Hooker

Promoted, June 1936, from the eighth grade to high school:

Leon Austin	Hazel Aldrich
Dorothy Cutting	Dorothy Mitchell
Wendell Campbell	Isabelle Moulton
Newton Lang	

1936-37

Enrollment to date	45
Non-resident pupils	8
In schools outside of district:	
Benton Elementary	2
Woodsville Elementary	5
Bath High School	13
Lisbon High School	6
Woodsville High School	6

Teachers:

Mrs. Elizabeth G. Hooker, Swiftwater	15
Mrs. Avis Lemieux, Nutter	9
Doris M. Stimson, Pettyboro,	10
Mrs. Hazel M. Underhill, Carbee	11
Lottie M. B. Underhill, school nurse	
Walter Chase, health officer	
David Johnson, truant officer	

The above statistics are for the most part self-explanatory. The small enrollments in all the schools indicates a dwindling school population. If this continues, it may be for the best interests of the children to make some consolidations. At present because of state aid the cost to local tax payers would not be changed appreciably.

The percent of attendance, 93.99, was less than the state average of 94.75. Because of the need of constant watchfulness regarding the health of the children, I would like to call attention to the following extract from the Public Law:

“The parent, guardian, or other person having the custody of a child who is infected with or who has been exposed to a communicable disease shall not permit him to attend either a public or private school. Any person who violates any provision of the two preceding sections shall be fined ten dollars.”

During the summer three of the schools, Swiftwater, Nutter and Pettyboro, were painted on the inside. This not only improved the appearance but the lighting of each building. With the prospects of current becoming available it will probably be possible to install lights in the Pettyboro and Carbee schools. The added convenience and comfort would far outweigh the small cost involved. Aside from lights there do not seem to be any repairs of any great size needed.

The school work is progressing well. Last spring when the achievement test was given to all the pupils in the elementary grades of this Union, the highest scores in the first and seventh grades were made by two pupils in the Bath Town schools. Most of the graduates from the eighth grade go on to high school and do successful work.

Respectfully submitted,

EDWARD A. JANES.
